# Transition of Emergency Services Successful

by Sharon Curran Wright

During a recent interview with Cody Davis, Director/Chief of the Buckingham Department of Emergency Services, Davis said that, as of December of 2020, the Buckingham County Volunteer Rescue Squad had transitioned all of its operations over to the Buckingham County Department of Emergency Services. After 50 years of excellent service

by volunteers, the county responded to a dwindling volunteer force and increasing administrative requirements by staffing positions with county employees. A number of those who previously volunteered are now on staff, and three continue to volunteer with BCDES.

One of the first orders of business by the county was to remodel, expand, and reopen the Glenmore Station. Doing this drastically decreased response times to the northern part of the county and allowed better services to citizens in that part of Buckingham.

Two new ambulances - one of which already has more than 100,000 miles on it - serve the county. Through grants and other funding support, BCDES has been able to place new heart monitors into service and new state-of-the-art airway placement technology. A new utility terrain vehicle for accessing remote patients and new ventilators will be placed into service soon. In addition to

these new assets, the department is also working on implementing new and improved patient care

*BCDES's newest ambulance, a 2022 Wheeled Coach/F-550 Type 1 Ambulance*

protocols and unveiling programs and initiatives that will enhance care in Buckingham County.

*Interior of aforementioned, displaying some of our equipment, including stretcher and heart monitor.*

At the time that the county took control, there were roughly 1800 calls for service being handled

annually. This number continues to increase and is now at roughly 2200-2300 annually. While the number of calls is increasing in general, the biggest reason for the spike in numbers over the last two years is that Buckingham is handling more of its own calls rather than having to request mutual aid assistance. This is a benefit of our increasing number of staffed ambulances in the county.

Davis believes that the county has benefitted from the transition by having more personnel and more medic-level staff as well as by the addition of more reliable and advanced equipment. He points out that the staff is composed primarily of Buckingham County residents, which promotes a sense of ownership, pride, and compassion. Davis hopes that the current department supports and protects county citizens as well as the volunteer force did for so many years.

Davis gives credit to the Buckingham County Board of Supervisors, County Administrator, County Attorney, and the citizens. Their support of BCDES has been paramount to the department's success.

Please help us learn about the needs in Buckingham County by completing a short survey. This will help us prioritize our programming to offer real solutions to improve well-being in our community.

## Profile

Our office has provided comprehensive dental care since 1982. We work to improve the smiles and overall health of our patients with complete restorative and periodontal care. Our services include crowns, bridges, root canals, dentures, restorations, tooth whitening and periodontal treatment. We have worked closely with oral surgeons for over 35 years to plan for implants, which we restore to replace teeth. We have provided dentistry in a hospital setting if the patient would be better treated there. Dr. Horbaly, an orthodontist from Charlottesville, provides orthodontic care at our office monthly. We strive to provide the best dental care to all ages and treat their needs in a most caring and gentle manner.

# Rail Service / Excursions

## Buckingham Branch Railroad

1063 Main Street

P.O. Box 336, Dillwyn, VA 23936

**Services:** Railroad transportation, including intermodal transfer of commodities.

**Service Team:** 80 Employees

The Buckingham Branch Railroad (BB) is Buckingham County's rail link to CSXT and the world. It has provided rail freight service to and from central Virginia since 1989. In addition to operating the 17 miles of the Buckingham Division in Buckingham County, the BB operates 200 miles between Richmond and Clifton Forge; 55 miles between Burkeville and the North Carolina state line; and 7 miles in Norfolk and Virginia Beach. See line map to the right.

In 2022, the BB initiated a new passenger excursion division known as the Virginia Scenic Railway which operates out of Staunton, Virginia and provides riders with a scenic tour of some of the most picturesque areas in central Virginia.

## THE BCC RECOGNIZES LOCAL LEADERS

The Buckingham Chamber of Commerce recently celebrated its successes and annual award winners at its recent banquet held at the Dillwyn Volunteer Fire Department in mid-January.

The awardees included **Lifetime Achievement Award** recipient **Rebecca S. Carter** (center), **Volunteer of the Year Award** recipient **St. Thomas Aquinas Seminary** represented by Father Anthony Haynos (left), **Youth Achievement Award** Courtney Agee (right). **Business of the Year Award** recipient **The Cake Place** (owner C.V Swann was not present).

## NOMINATION LETTER ABOUT REBECCA CARTER

The former longtime County Administrator Rebecca S. Carter served the Buckingham community and the region for 35 years, helping to lead the way for growth, innovation and industrial development in the County.

Born in Clifton Forge, Virginia, Mrs. Carter grew up in a family of nine. As a child, she was raised to work hard and respect others, qualities that all who know her would say set the tone for her service to the County. Mrs. Carter studied business management and marketing at Dabney S. Lancaster Community College. She married her late husband, Wayne Carter, in 1972 and raised three children. In 1986, the Carter family moved to Buckingham County, when Wayne was transferred to the area for his job with CSX Transportation. They fell in love with the county and its people, built a house and settled down, beginning a small farm. In September of 1986, Mrs. Carter took a job as the administrative assistant at the County office in Buckingham. She held this position for eight years, helping several different County Administrators. Finally, in 1994 she herself

accepted the position of County Administrator, a job that she then held for the next 27 years, until she retired in June of 2021.

Carter worked with many different members of the Board of Supervisors to help make countless positive changes in the County. She worked with the Town Council of Dillwyn for the replacement of its aged water and sewer lines and facilitated the County's purchase of Dillwyn's wastewater facility. Over the next several years, she helped the County to obtain over \$13 million in grants to build a new water system facility, extend water lines, and upgrade and extend sewer lines along the Route 15 and Route 20 corridors. This brought in several new businesses to the County. She was involved with turning the old Dillwyn Primary School into a brand-new library and community center that the County can be proud of. Thanks to her efforts in combination with many others, Buckingham implemented the state-of-the-art gated waste sites, a vast improvement for residents' trash disposal.

*continued on page 74*

Also under Carter's leadership, the County built a new administration complex and renovated the historic county courthouse. The Carter G. Woodson School complex on Route 20 was renovated and upgraded, the vacant Gold Hill School building was put to profitable use and a full-time, countywide emergency rescue squad was formed. These are just some of a long list of

improvements and projects to which she contributed, helping to ensure their successful outcome for the common good.

## NOMINATION LETTER ABOUT ST. THOMAS AQUINAS SEMINARY

Director Faye Shumaker nominated St. Thomas Aquinas Seminary, noting "the nominee seeks to serve the community in every possible way."

She said as a team "they have worked to pick up more than 600 bags of trash...Imagine the size of a trash pile containing that many bags, a small mountain, for sure."

"They show up to support the blood drives sponsored by the Buckingham Masons. Two of the blood drives were largely successful because of their participation."

Shumaker noted the seminary's work on the inherited Ruritan Club community organization signs across the county that the seminarians performed "quite a bit of work" on. "This group spent many hours on this project along with other Chamber members."

"There are many other things that can be said about this amazing group of young men, but with the things I have mentioned above, I am delighted to (nominate)...St. Thomas Aquinas Seminary."

## NOMINATION LETTER ABOUT THE CAKE PLACE

Suzanne Vandergrift, Vice President of the Buckingham-Dillwyn Garden Club, nominated **The Cake Place in Dillwyn, owned and operated by C.V. Swann.**

"This small business owner opened her doors in October 2020 when our country was deep in the pandemic. Opening any business during that time was risky, but a food business...most people would have called her crazy. But she saw an opportunity...to build a small business in a small town and a fabulous bakery was born in Dillwyn."

She noted that the business had to pivot because of the economy and "closing wasn't an option...So she put a business plan together and restructured."

She said the business now offers The Cake Place Venue, Event and Wedding Planning, Catering and much more. "She's always available whether it's a Sip and Paint Program, an emergency catering Solution, or a child's special birthday cake."

## NOMINATION LETTER ABOUT COURTNEY AGEE

Casey Dunkum, a high school agriculture teacher, nominated **Courtney Agee.**

"Finding a hardworking, courteous, smart, young person could be a tall task. However, I know someone who fills each one of those characteristics... Courtney Agee is that young lady," said Dunkum.

Agee is a Senior at Buckingham County High School, Dunkum said, noting she was a well-rounded person,

"full of potential. I have had the pleasure of working with Courtney for many years through the FFA and I am truly amazed at her work ethic." She added that Agee is a student in the local community college's Governor's School and ranked 9th in her class. She serves as FFA President, her class spirit coordinator, and is on the Student Council's Executive Board, and Scholastic Bowl Team Member.

“Courtney works at her family’s business, Dillwyn Repair Service. She does a great job assisting customers,” Dunkum noted, adding she also volunteers with the Glenmore Volunteer Fire Department.

“Courtney has participated in almost every event the (FFA) chapter has sponsored. She has served as an officer for several years and is currently chapter president. She is the first to volunteer to help an advisor or help coordinate the officers.”

Dunkum noted Agee has participated in VCE Cooperative leadership camps, where she placed in the Top 10. “Courtney is a model of integrity that is truly refreshing...Her senior quote is Romans 12:12: Be joyful in hope, patient in affliction, faithful in prayer...Through her trials, she has overcome them with her faith and support of her family and friends.”

---

**Please note the qualifications and accomplishments of these outstanding Buckingham County citizens in the nomination letters above.**

**Nominations for these awards are accepted throughout the year, ending Dec. 31st. If you know of someone, or a business, deserving of recognition by the Buckingham County community, please call 983-2372 or send your letter to the Buckingham Chamber of Commerce, P.O. Box 951, Dillwyn, VA 23936.**

---

The banquet also included the installation of officers and the Chamber’s Board of Directors.

“The Chamber of Commerce is proud to honor these deserving individuals and the business,” said Chamber President Thomas Jordan Miles III. “These people have contributed directly to the well-being of Buckingham County. I want every one of you to know that the State of the Chamber is very strong. 2022 was a great year for the Chamber. Our Board and membership recognize that in any good community you need good businesses – large and small – which require our support. And that is what the Chamber does and does well and we are proud of that.”

# Stars, Wine & Muddy Paws

by Sharon Curran Wright

Kathie and Michael Boyce had a dream of leaving city life behind, buying some land, and living a different life. To that end, they bought property in Buckingham County and established KMB Farms, where they keep bees, grow garlic and berry bushes, and will soon be making fruit wines.

This summer they will open Muddy Paws Winery, its name a tip of the hat to the 17 dogs that they have rescued over the years. Wines will be made, bottled, and sold on site. The Boyces have been making fruit wines for 15 years, having learned the craft by joining amateur wine groups that met monthly, sharing ideas, tips, tricks, and recipes. Among their favorite fruit wines that they have made are elderberry, raspberry, apricot, apple, strawberry, cherry, and pomegranate. Because they are beekeepers, they also make various meads. Stone fruits for their wines will be harvested from an established orchard that they lease in Nelson County; they plan to grow their own berry bushes and some grapevines.

According to Mike, fruit wines are typically sweeter than grape wines and true to the fruit flavor. A fruit wine will ferment in eight weeks, so a fresh batch will be produced at Muddy Paws every eight weeks. Muddy Paws Winery can do five batches at a time, and they plan to have that many available at the “soft” opening of the winery in late spring. They also plan to open on weekends this summer with a grand opening planned in October.

In addition to offering unusual wines, Muddy Paws Winery will have a tasting room and outdoor seating in a wooded area so patrons can enjoy the natural setting. A fenced-in dog park area will promote play with pets and interaction among pet lovers. Patrons will be able to stroll through gardens and a nature trail. Unique “Wine and Star Night” events will center around a 600-pound antique Newtonian telescope that is 10 feet long and a foot in diameter, built in Michigan in the 1930s. It is powerful enough to see all the planets and some binary stars.

Muddy Paws Winery is located on KMB Farms, an enterprise already familiar to many in Buckingham County. At KMB Farms, Michael grows garlic and sells garlic products including smoked garlic powder and garlic cooking wine. Kathie started

handcrafting soaps from natural ingredients 18 years ago and now includes salves, lip balms,

*Right Next Door To Nature*

creams, and laundry detergent in her inventory. She makes a soap for soothing poison ivy, pine tree body butter, and goat’s milk hand cream. In all of her soaps, Kathie sources shea butter from women in a village in Ghana, a business decision that aids entrepreneurship among women in that country.

Both Kathie and Mike love to experiment with ingredients to come up with new products. After

discovering that some cleaning products contain chemicals that are toxic to dogs, they created a spray out of natural ingredients that is safe and actually cleans better.

The motto for KMB Farms is “Right Next Door to Nature.” They use no artificial ingredients, and their products are all natural “with nothing you can’t pronounce,” as Mike likes to say. They don’t use pesticides, herbicides, or fungicides. The packaging they use is biodegradable or reusable.

KMB Farms products can be found at the Scottsville Farm Market or on the farm itself. The Muddy Paws website and KMB Farms Facebook

page will carry announcements about upcoming events. For more information, call (301) 305-2773.

## **Truck & Tractor Pull Returning Summer of 2023**

Thousands have attended the annual Truck & Tractor Pull since its inception in 2019, and it will be returning to the same location on 364 Wingo Rd., Dillwyn (adjacent to the Dillwyn Vol. Fire Dept.) on Sat., July 15, at 6 pm. Gates open at 4 pm. Ticket prices will be the same as last year, \$15 per person over 10 years old, and free for those 10 and under. This is the major fundraiser for the county fire departments, so bring your lawn chair and enjoy this popular event.

# The last poled ferry in the United States...

## *The Hatton Ferry*

*Established 1870. Congratulations to the Hatton Ferry, which has been accepted as a Virginia Treasure!*

The Hatton Ferry is located at 10120 Hatton Ferry Road, Scottsville, VA. It is 5 miles outside, and upstream, of Scottsville, 20 miles north of Dillwyn and 25 miles south of Charlottesville. It connects Albemarle and Buckingham counties via Rt. 625.

The ferry runs on weekends only, 9-5 on Saturdays and noon-5 on Sundays, from mid-April through the end of October. It is operated during most federal holidays during the operational period.

The ferry will not run if the water level is below 4 feet or over 8 feet. Call the Albemarle-Charlottesville Historical Society (434-296-1492) or check out The Hatton Ferry on Facebook to make sure the ferry is in service.

You can check the river levels on the James River Runners website <https://jamesriver.com/> or the U.S. Geological Survey site [https://waterdata.usgs.gov/nwis/uv/?site\\_no=02029000&PARAMeter\\_cd=00065,00060,62620,00062](https://waterdata.usgs.gov/nwis/uv/?site_no=02029000&PARAMeter_cd=00065,00060,62620,00062). If the river is below running-level, volunteers will still

be on-site to talk about the ferry's history and answer questions.

email: Martha Louis [marthalouis60@gmail.com](mailto:marthalouis60@gmail.com),  
HattonFerryman@gmail.com,  
[programs@albemarlehistry.org](mailto:programs@albemarlehistry.org)

Donations of \$2 per person and \$5 per vehicle are asked to ride the ferry. All day parking is \$10. All donations go towards the upkeep, maintenance and continuation of the running of the ferry.

If you'd like to make a donation to the Hatton Ferry, you can do so by contacting the Albemarle -Charlottesville Historical Society thru [www.albemarlehistry.org](http://www.albemarlehistry.org)

The Hatton Ferry serves both motorists and pedestrians alike.

# Historic Buckingham, Inc.

The Historic Village at Lee Wayside, The Housewright Museum and The Adams Museum

The Historic Village was ten years in the making and opened on September 20th, 2007. It is located on almost 40 acres adjacent to the Lee Wayside and is owned by Historic Buckingham, Inc. The historic significance of the property is that Rose Cottage was a stage coach stop and also the spot where General Robert E. Lee and his troops stayed two days after the surrender at Appomattox on his way back to Richmond.

At the present time, the Village consists of the following structures: log tobacco barn, slate company office, slate roofed privy, general store/welcome center, corn crib, smoke house, one room school,

post office and an outdoor pavilion. A working blacksmith shop which was built on site now contains a beautiful brick forge and is staffed with a local blacksmith during special events.

Another addition to the Village is The Village Stage which was completed in 2013. It is used for music and theater. The restroom

facility was completed in 2017 and the Morgan Building, housing a sawmill exhibit and the 1918 Chevy car opened in 2019. The newest addition to the Village is the Adams Pavilion which was used immediately after completion on a rainy day.

Over 2000 visitors come to the Village during its 7 major events and also on weekends when there is no event. A

volunteer staff is available every weekend to lead visitors on a tour. The Village,

which is a living history park, is an extension of HBI's main headquarters. The Housewright Museum is located across from the Buckingham County Courthouse. The Housewright Museum has wonderful exhibits of Buckingham history and artifacts.

In 2018, HBI opened a wonderful addition to its other sites, The Adams Museum. This new building is located directly behind the Housewright Museum and houses the collections of H. Spencer Adams and his late wife, Winnie Adams. The HBI Research Library is also housed in The Adams Museum which is handicapped accessible.

Visit [www.historicbuckingham.org](http://www.historicbuckingham.org) and [www.leewaysidevillage.com](http://www.leewaysidevillage.com).

- **The Historic Village** is open, weather permitting, April–November, on Saturdays and Sundays from 1pm to 4pm. Call (434) 547-2296 for information, for a special tour of the village, to volunteer or to use the park for your group, or visit [www.leewaysidevillage.com](http://www.leewaysidevillage.com)
- **The Adams Museum and The Housewright Museum** are open April–November, 1pm to 4pm, Wednesdays and Saturdays. Call (434) 315-1861 for more information about the museum, or visit [www.historicbuckingham.org](http://www.historicbuckingham.org). HBI will follow all CDC recommendations in 2022 as they have in 2021. Masks are suggested inside buildings.

## ***Greetings to our Chamber Members & Supporters!***

We entered 2022 with enthusiasm! Meetings were back on schedule and it was great to begin our year with the 21st Annual Awards Banquet. It's always a privilege to recognize Buckingham residents who do so much!

After 29 years of mailing monthly newsletter to our members, we switched to emails. A challenge for sure, but we saved on printing cost as well as postage! We continued calling attention to Community Pride Award winners. People who kept their outside appearances neat and attractive were nominated. We also recognized The Business of The Month each month!

The Buckingham County Guidebook published by Dan Curran of All-American Publications LLC was distributed to households throughout the county. Featuring our Award winners and also the Photos from the 2022 photo contest, this is a huge benefit for the Chamber and County residents. The Chamber invited Justin Midkiff and Brenda Jones to come onto our Board of Directors.

Our Easter Super Bake Sale was successful with the proceeds being put aside for the Downton Dillwyn Halloween Event. We collaborated with Buckingham Social Services to host a Job Fair in September. We promoted our Annual Photo Contest with the winning photos placed on display in the Buckingham County Library.

We were pleased to offer a safe Halloween experience along with the Dillwyn Town Council to approximately 850 Trick or Treaters. Also, throughout the year, we were able to donate to The Buckingham Firefighters Association, The VFW organization, Dillwyn FD Auxiliary, The Southside Pregnancy Support Center, Ellis Acres, Dillwyn Fire Department and Habitat for Humanity.

Chamber membership is open to everyone. The cost is \$40 annually. To rejoin, join or for more info, call the Chamber Hotline @ 434-983-2372, visit [www.buckinghamchamberofcommerce.com](http://www.buckinghamchamberofcommerce.com) or reach out to us on Facebook.
